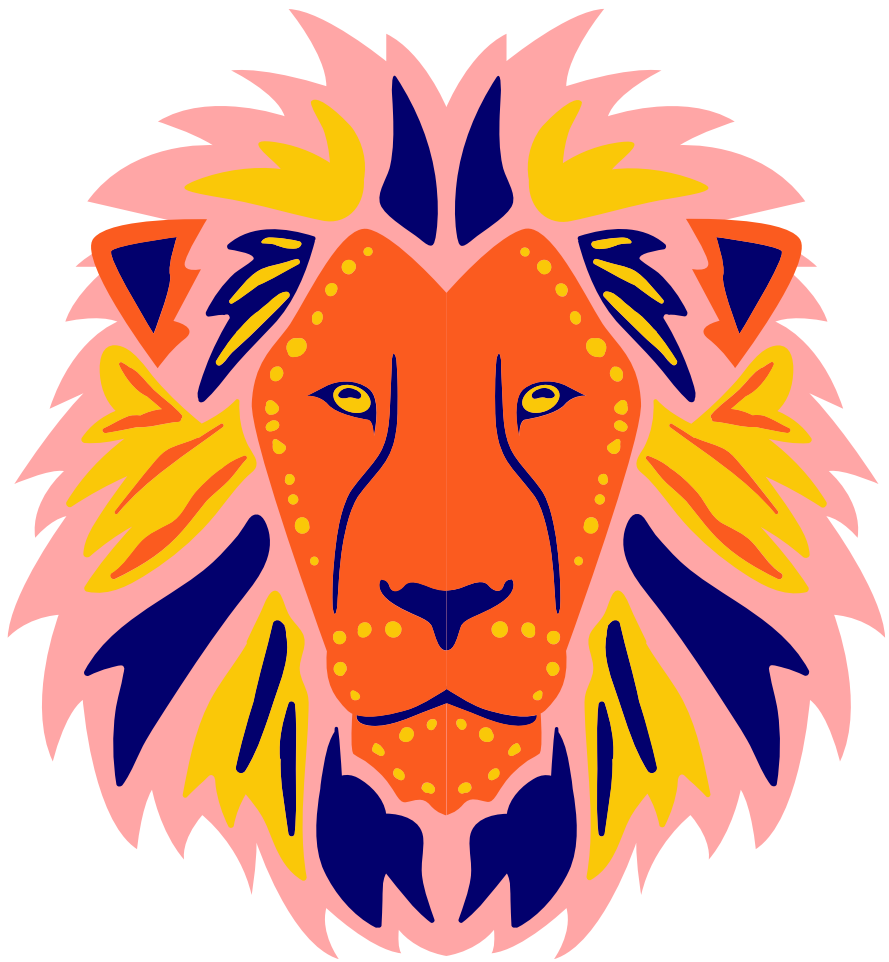
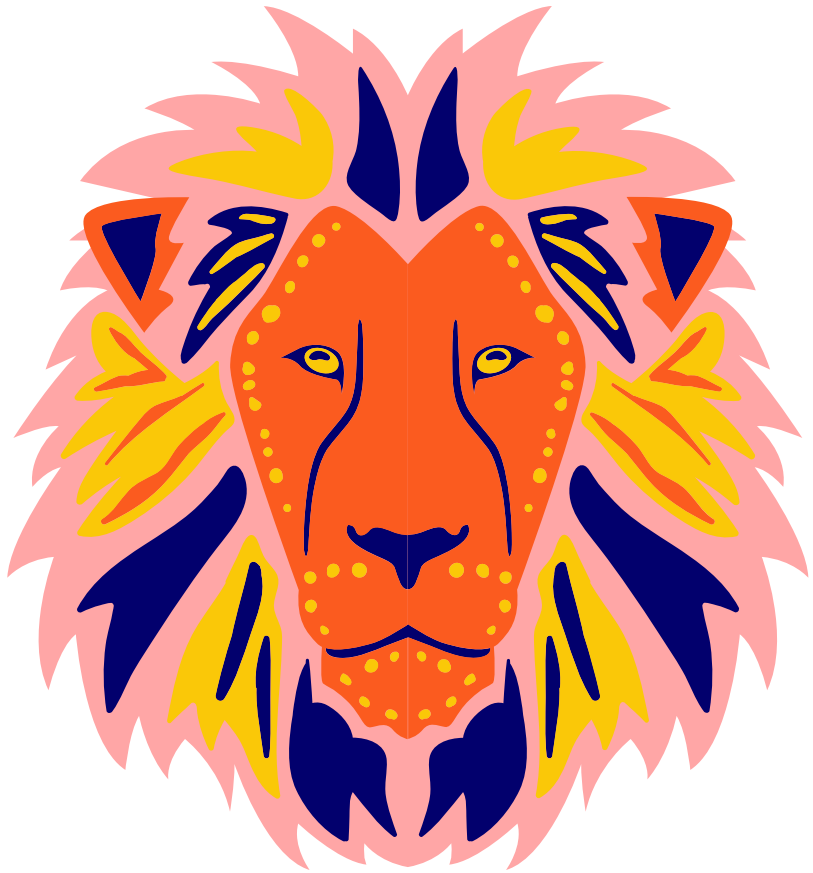
Larry The Lion



Written by Theresa Reel

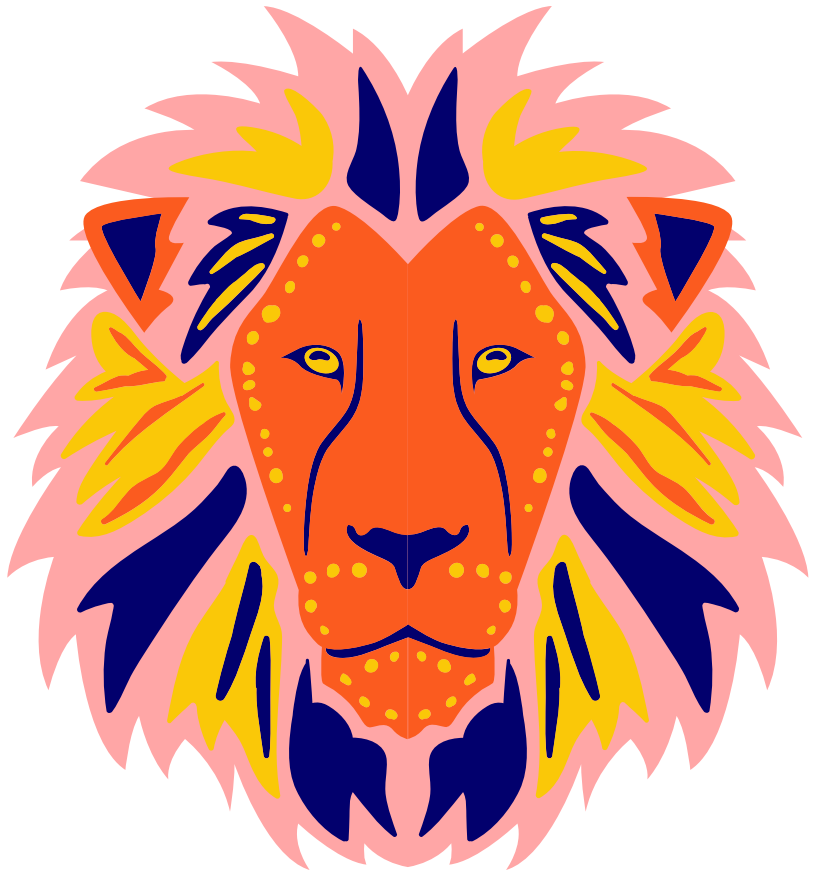


Hello, I am Larry, the lion.

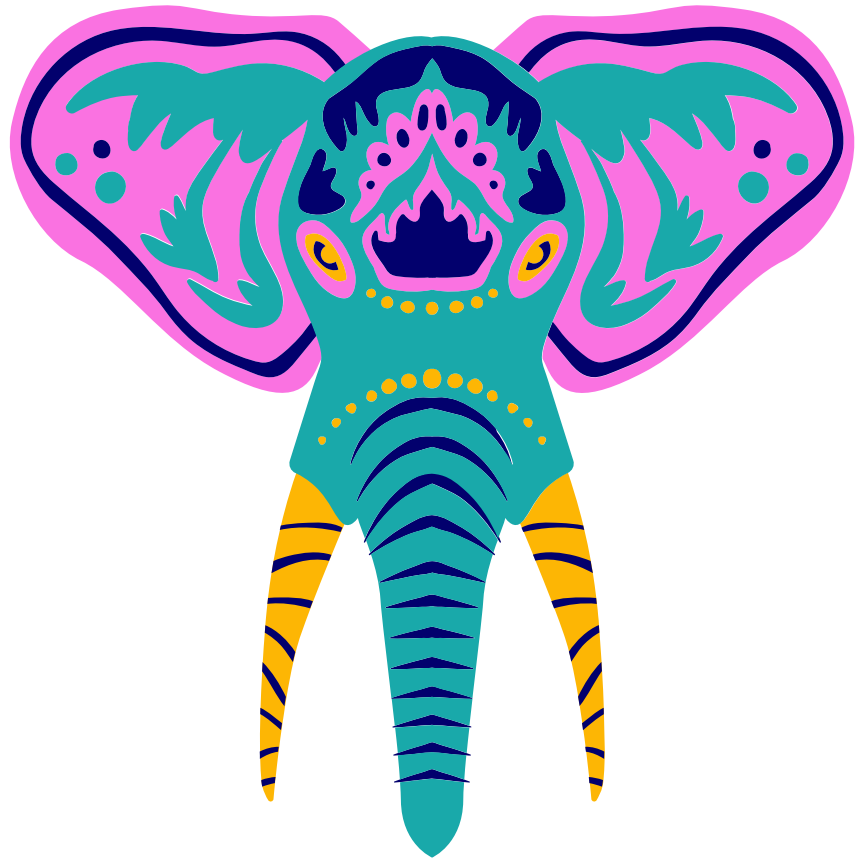
What's your name?

Does anyone ever say your name wrong?

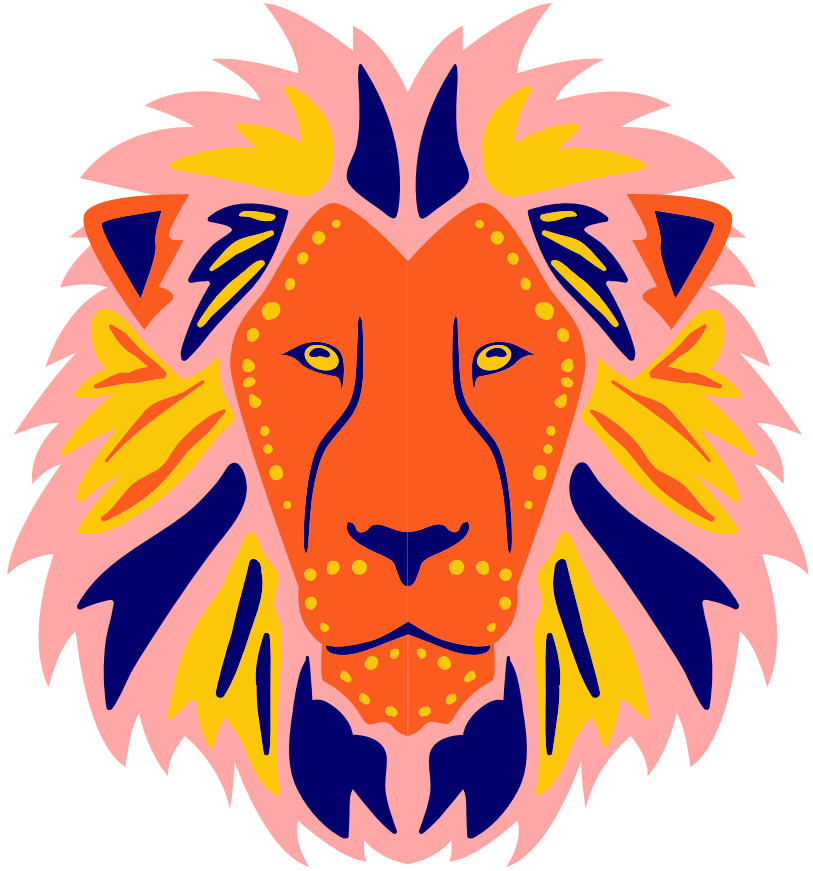
When the hippo says hi -
he calls me Barry.



It's Larry,
Larry, the lion.

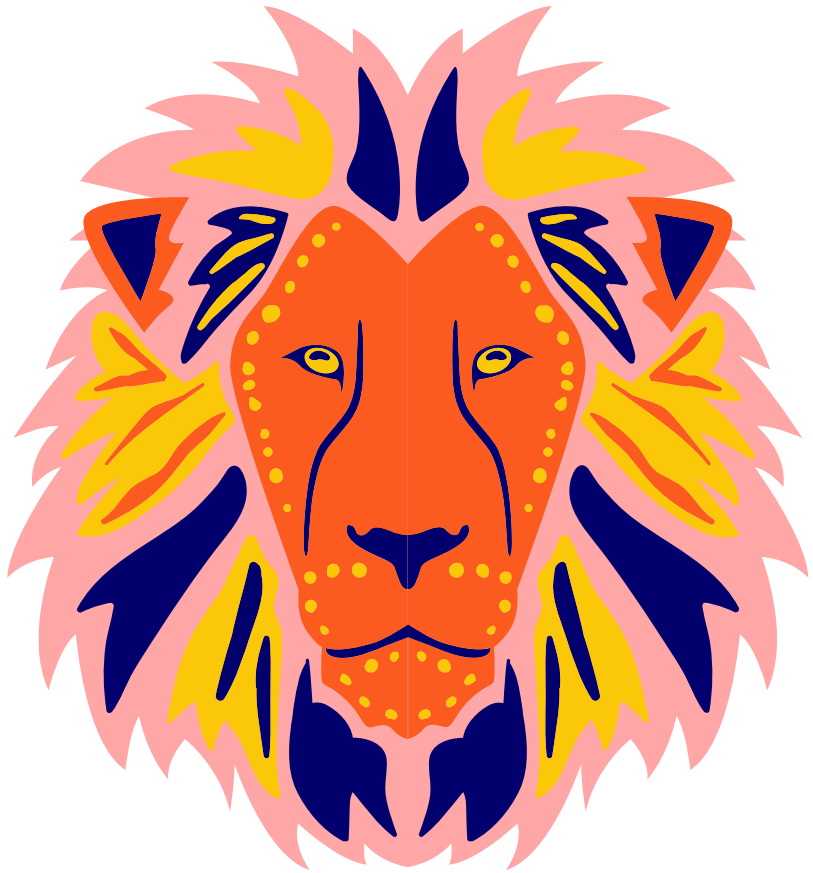


When the elephant says hi -
he calls me Gary.



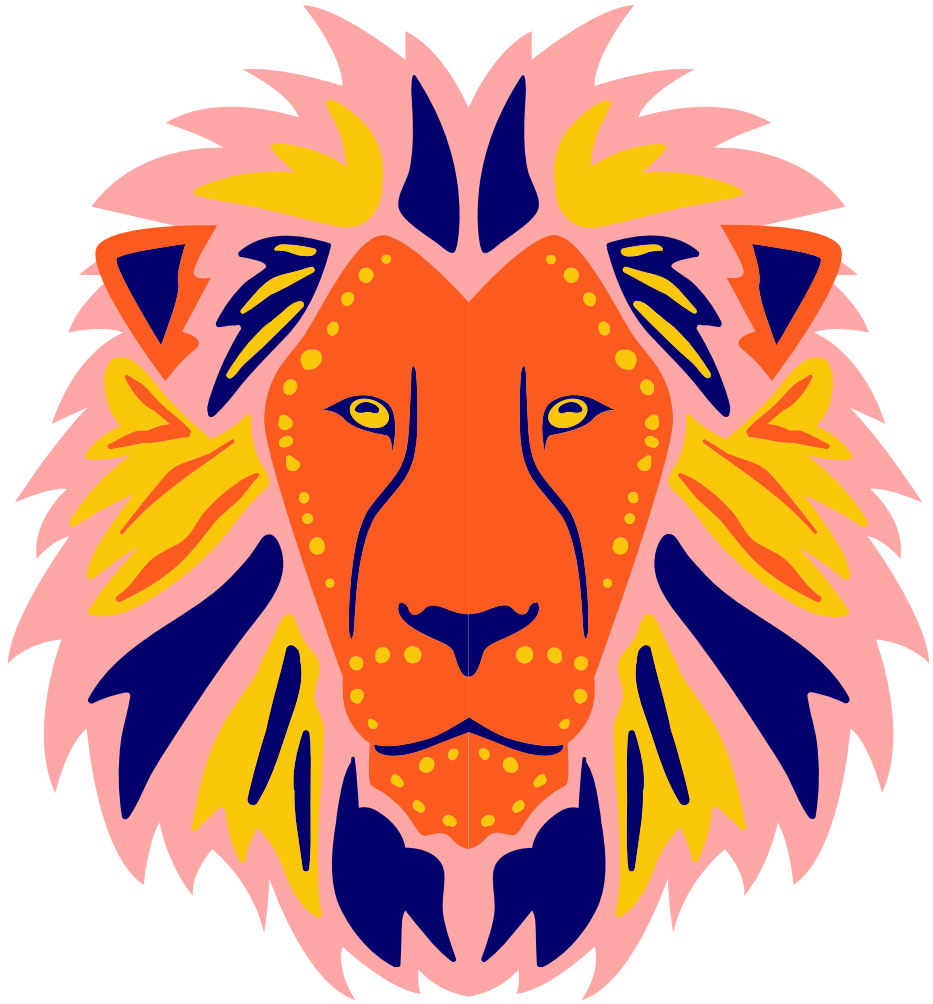
It's Larry,
Larry, the lion.

When the eagle says hi -
he calls me Jerry.



It's Larry,
Larry, the lion.

When the snake says hi -
he calls me Kerry.



It's Larry,
Larry, the lion.

Does your name have a rhyme?
